*Salutation to you all, it's a pleasure to me to talk to you who is reading this magazine through this brief note. Youth for Christ's desire*

is to give every young person in every people group an opportunity to make an informed decision to be the followers of Jesus Christ and be a part of the local church. Through quality Christian schools, we offer an education to the kids from families that can afford the cost, and those that are so poor that they may afford to pay tuition, we do so through sponsorship. However, there are still so many kids from poor families that need our help. In Kigali Christian schools we see the best future leaders of our church and communities

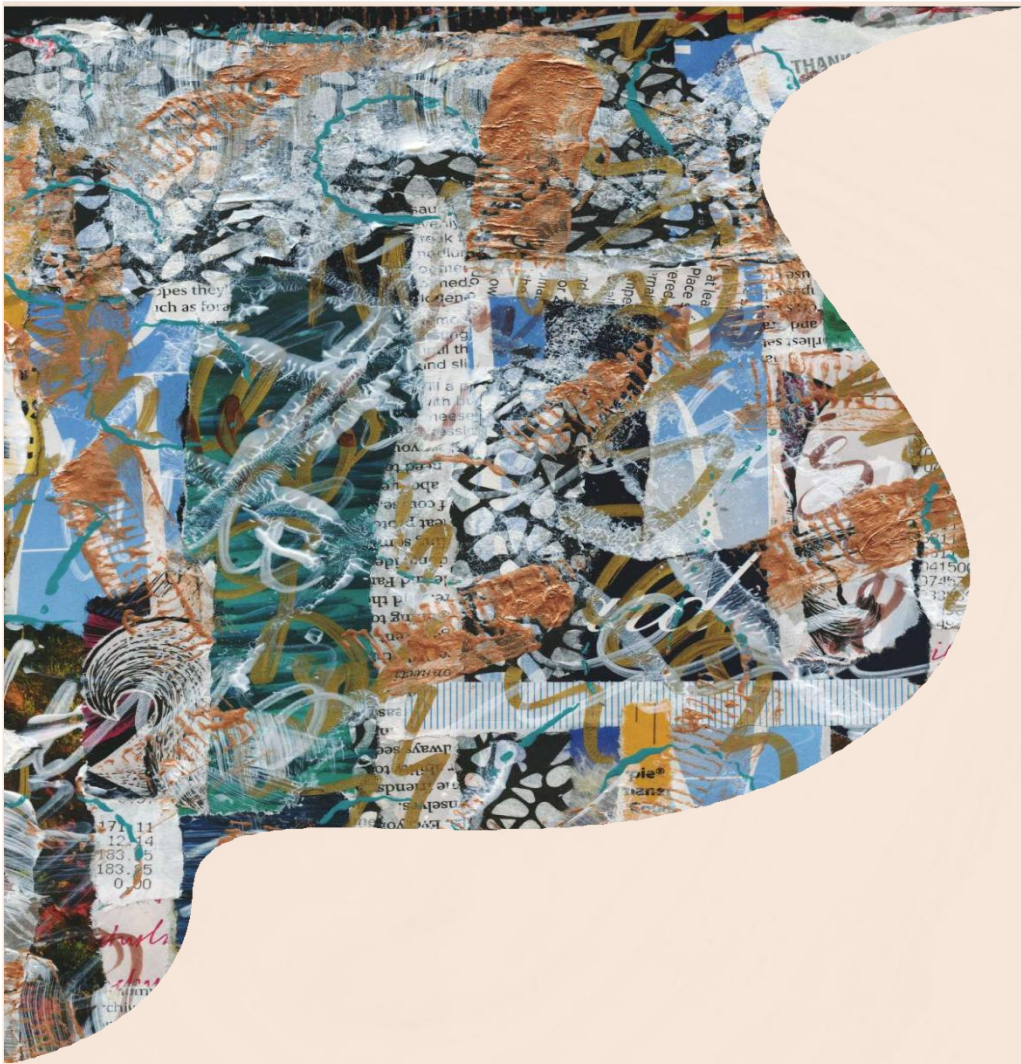

Since we started in 2006, we have seen continued growth of staff and student's Performance. We are thankful to students and teachers for the hard working and to parents who entrust us with the education and spiritual nurturing for their kids. I hope that our school will help the kids to be Christ-like.

Parents and students have the right to challenge us to live a Christ-like lifestyle that strives for Godliness of character and excellent service. We want to stretch ourselves to always improve to much that we can be.

## Deputy National director message

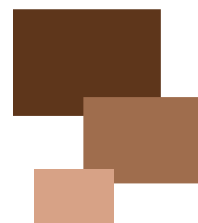

DEPUTY NATIONAL DIRECTOR IMAGE

Kigali christian school is one of the ministries of youth for Christ. It started in 2006 with aim of providing quality Christianity education to all students , its started with one main campus in Kigali and later opened another schools in different part of the country in north Byumba -Gicumbi Rwanda and in Eastern province Rwamagana. Current we have over \_\_\_\_ students in both campuses from primary-school to high school. Though we are aware that we have to improve in various areas, we are happy that our kids perform well at the national level, and some of them compete with students outside Rwanda. Above all we are thankful that we are able to share the Gospel with them.

4. We believe the salvation of the lost and sinful people is by the grace of God through faith and the shed blood of the lord Jesus Christ and that regeneration by the holy spirit is absolutely essential.
5. We believe in the present ministry of the holy spirit, by whose indwelling the christian is enabled to live a Godly life.

#### **Student Articles:**

Opinion pieces, essays, or articles written by students on various topics of interest.

#### **THE DARKNESS DESCENDS**

**In the shadows of Rwanda's hills  
Whispers echo hunting still  
In 1994 beneath the crimson sky  
A nation wept as innocents did die.**

**Tutsi souls torn from their home  
In the darkness they stood a lone  
Hatred's frames they did ignite**

### **Consuming futures stealing light**

**A cross the land cries pierced the night  
As innocence fell to the darkness' plight  
Brother turned foes neighbor against kin  
In the madness where chaos did begin**

**From mountain peaks to valleys below  
Inkotanyi's spirit continued to grow  
Their sacrifice etched in Rwanda's tale  
Inkotanyi bravery will never pale  
Attribute to the fallen a hymn of pride  
inkotanyi's legacy ever shall abide**

**Yet through the terror a light did shine  
In acts of courage in the hearts aligned  
From the ashes arose avow  
To remember the lost honor them now**

**Though scars run deep in Rwanda's souls  
Resilience blooms making broken whole  
In the echoes of tragedy lessons learned  
May peace prevail till the earth's sun  
has turned**

### *THE CONCEPT OF FEMINISM IN THE CURRENT WORLD.*

**People think that simply because feminism has been associated with brokenhearted and survivor women, it's alright to keep a harsh dictation on them that eventually leads to Gender-based violence.**

**Poor-minded people fear that feminism has destroyed a thousand primitive African traditions and beliefs that they term in Kinyarwanda as "GUKUNGURA".**

**Allow me to shed some light on what the true meaning of Feminism is,**

**Feminism is simply the belief that I (WOMAN) should be just as he( MAN).**

**A feminist is a person who believes in the power of a woman just as much as anyone's power is believed in.**

**I know that people will call me a Feminist whenever I express my feelings, that makes me the automatic difference.**

**I refuse to limit myself because we still have people who WON'T and CAN'T understand the fact that I'm also capable of doing something useful and diligent for myself and society.**

**I am unapologetic for being a FEMINIST.**
